Brenham | Washington County Economic Development Workforce Housing Survey Released

Brenham | Washington County Economic Development, in partnership with Community Development Strategies (CDS), a Houston-based company specializing in professional market and economic research, have released their residential needs survey, funded by Brenham Community Development Corporation (BCDC).

A variety of quality and affordable housing options is important for any community. This survey and the Needs Assessment will help Brenham's public agencies and the housing development industry better understand the community's present housing situation. The results could lead to beneficial policy changes and potential new housing choices for the community and its workforce. The results of this survey will be made available to the general public and community leaders. By donating a few minutes of your time, you will help decision makers by providing information to best address Brenham's housing needs.

If you would like to be entered for a chance to win a YETI cooler, you have the option to provide a cell phone number to be notified by text at the end of this survey. This survey is otherwise anonymous and confidential, and all information collected will be displayed in aggregate only.

The survey is for people employed in Washington County only and can be assessed at:

1. The Nancy Carol Roberts Memorial Library, complete online survey at library kiosk or pick up a paper version to complete
2. Online at <https://www.surveymonkey.com/r/BrenhamWorkforceHousingSurvey>
3. Or, by the following QR code:
4. Contact Erica Warren for a paper copy: ewarren@cityofbrenham.org, 979.337-7234

Word count: 239
